

Product Data Sheet:

EPBF GREASE NLGI 2

Product Description:

EPBF GREASE NLGI 2 is a lithium thickened lubricating grease based on mineral oil and contains additives.

EPBF GREASE NLGI 2 is a general multipurpose grease which can be used in various applications within given temperature limits.

EPBF GREASE NLGI 2 has good mechanical stability, good load carrying capacity & can be used in a wide range of applications.

EPBF GREASE NLGI 2 is a quality multipurpose grease that can be used in both industrial and automotive applications and is suitable for a wide range of plain and rolling bearings.
